

Happy 4th of July to all you Curry County Cruisers:

I hope everyone has a happy and safe 4th of July weekend. It is hard to believe we are in July already, Summer just got here and it seems to be going by too fast.

I want to update you all on a very cool event coming soon. As I mentioned in my last update, **we have moved our July club meeting from July 9th to July 16th** because the “*Abbey Road Live*” tribute band is going to be playing on Sunday, July 9th at Azalea Park from 1:00 pm until 3:00 pm.

I met with Tony Baron, the Parks and Services Supervisor a few days ago to see where he was going to let up park this year at the Beach Boys tribute show in September, and while there, I asked him if the Curry County Cruisers could park there for the Beatles Concert as well, and he said he had no problem with us doing so as long as it was ok with the City and the Concerts in the Park Committee, so I checked with them and they gave us permission to have a **Show-N-Shine at the “*Abbey Road tribute Concert*” on July 9th**, and they agreed to let us park and show our cars at the concert! How Cool Is That!!

There is enough room to park at least 20 or so cars there, we will be on the grass to the left of the Clam Shell, so we can park the cars and be able to view the concert from a great location. I will draw a (crude) map and send it out this week. This will be a fun event and I am sure the attendees of the concert will enjoy seeing our cars.

Also, on **July 15th**, the Northern Knights will be having a Show-N-Shine at Pizza Hut in Crescent City from 1:00 pm until 3:00 pm, and we have been invited to attend. I think this would be an opportunity to show them that we support other car clubs in our area. It would be great to caravan to that event with a lot of club cars.

Two years ago, several club members took a little road trip and went to Honey Bears for dinner. If I recall, we had about 20 club members there. Honey Bears has been sold and the new owners have changed the dinner venue from the German Buffet type of dinner to a Bar and Grille venue. Patsy and I went there for dinner last week, and I can tell you that we had the best hamburger we have eaten in a long long time, and the prices were very reasonable. They have a pretty good menu which includes burgers, salads, ribs, and more. They serve locally brewed beer and they have wine as well. Patsy and I think it would be fun to have another club road trip for dinner there. Their hours are from 5:00 pm until 10:00pm Tuesday thru Saturday. They said that it would be best if we came on a Tuesday or Wednesday with a large group. They even said we would be able to park in a prominent spot with our cars. So...**How about we plan on a road trip to Honey Bears on Tuesday, July 18th**. We can meet at the Harris Beach Rest Area and leave there at 5:00 pm. They did ask us to call in advance with an approximate number so they can be ready for a large group. Please let me know if you are interested in attending. Those of us who live north of Brookings can join in the caravan at Whaleshead, and those who live farther north can join us along the way, just let us know where to watch for you.

Remember our **July club meeting** is scheduled for **Sunday, July 16th** at the Ocean Winds Apartments. The doors open at 1:00 pm and the **meeting starts promptly at 1:30 pm**. We will have all the Appreciation Plaques for our Azalea Festival Car Show Sponsors available for members to take and present them to our sponsors. If the sun is shining, perhaps we can take a little run somewhere...any ideas?

Again, have a safe and happy 4th of July. I hope to see you all at Les Schwab's on Wednesday the 5th, and also at Azalea Park or the Abbey Road Live Beatles Tribute Concert.

Regards:

Jim Haggerty
President
Curry County Cruisers
