

Good Morning all you Curry County Cruisers:

I hope all you Cruisers had an enjoyable weekend whatever you did. There were four club members who braved the heat and attended the Cave Junction Car Show. Ron Plumlee, one of our new members won three awards at the show, with his Model A Ford.

Best Modified

Best Stock (yes, with the same car)

Best of Show

Congratulations Ron. You will have to share your secret with us.

There were also four members who cruised to Bandon on Saturday, it was an enjoyable day, and we enjoyed the drive, and the Washed Ashore Museum. Len and Nancy Simmons had a bit of car trouble, but with the help from other club members, made the trip successfully.

Some members have asked me if I made arrangements for the Club to participate in the Crescent City 4th of July parade, and I have not done so. It never occurred to me to do so. I did check into it and it is too late to enter the show as a club from what I understand, however if anyone wants to drive their cars in the parade (they will not be able to be judged) the Northern Knights said we can cruise in the parade with them. They do not have all the details yet from the City, but they believe that they will be staged at the Crescent City Elks on July 4th and people should be there between 8:30 and 9:00 am. If anything changes on this I will send out an email letting you know.

Our next scheduled club meeting is for Sunday July 9th, however that is the day that Abbey Road Live (Beatles Tribute Band) will be playing at Azalea Park, and I know that several club members will want to attend that event. I would like to change our July meeting to the following **Sunday, July 16th**. Hopefully this will work out for everyone.

The following weekend, on **July 22nd** is the big car show in Fortuna, Ca. I know that there will be several Curry County Cruisers participating in that event.

On Saturday, **July 29th**, there will be a parade in Gold Beach, and we have been asked to participate by driving our cars in the parade. This will be a great way to promote our Car Show at the Brew Fest. Mark your calendars and I will give you more details later.

Brew and Art Fest Car Show is scheduled for **September 9th** this year, always the weekend after Labor Day. I have been attending the planning meetings for this years car show and it will again be a great venue. Mark you calendars for this Curry County Cruisers Sponsored event.

Winchuck Fire Department BBQ is on Sunday **September 10th**, and they have once again invited the Curry County Cruisers to have a Show-N-Shine on that date. They will once again have a Peoples Choice award that will be presented to the car that receives the most votes from the attendees.

There is more coming, so it is going to be a busy summer. I hope to see you all at Les Schwab's tomorrow night.

Keep those cars shined up and running smooth, there is still a lot of fun to be had this summer.

Regards:

Jim Haggerty
President
Curry County Cruisers
