

Good Afternoon all you Curry County Cruisers:

I have a few updates to pass along to all of you .

It appears that the weather will be pleasant for this coming Thursday afternoon, which is the date for the Show & Shine at Sea View Senior Center. As mentioned in past updates, this will be our 4th year putting on this event.

We will meet at Sea View Senior Center from 3:30 until 5:00 pm. We will park our cars around the Senior Center and the residents will be able to walk outside and see the cars. In the past they put an envelope on each car, and the residents all get one ticket to put in the envelope on the car that they like the best, and that car is awarded a People's Choice Award. In past years the winner also received a gift certificate for a local restaurant as well.

I have been in touch with the Winchuck Fire Department, and they usually have a People's Choice award that they hand out at their Fund Raiser BBQ, but this year they had to cancel the event due to the Chetco Bar Fire. They gave me the award and asked that it be awarded to the car with the second most votes at the Sea View Senior Center Show & Shine, so there will be two People's Choice awards given out Thursday evening.

They have dinner at 5:00 pm and the awards will be handed out at the beginning of the dinner. Those who want to stay for the awards may do so, and dinner will be available for a nominal fee if you wish to stay for dinner. After the awards, some club members will leave and go to Wild River Pizza for dinner, and all Club members are invited to join in on the fun.

A few more things:

The October issue of Cruzin Magazine has arrived for all those who ordered the October issue. I will have the magazines with me Thursday evening if you want to pick them up. The cost is \$8.00. I do have one or two extra issues if someone wants one but did not order an issue. (I will also be at Misty Mtn. Tap Haus on Wednesday night from around 6:00 pm until around 7:00 pm if that works better for you).

Business Cards: The order has been placed for personalized business cards with our Club info on the back. Hopefully the cards will be available to pick up at our November Club meeting

Club Christmas Banquet: Please let either myself or Roger Mitchell know if you are planning on attending this years Christmas Banquet at Chetco Activity Center. This year promises to be even more fun than last year (how is that possible ?) We always have loads of fun at our Christmas Banquet, and this year is much more affordable that in previous years.

I hope to see many of you this Thursday at Sea View Senior Center, it is a fun and rewarding event, and it will more than likely be the last event of the year to show our cars.
