

Good Afternoon all you Curry County Cruisers:

Well, this is not the way we wanted to end the summer. I hope everyone is doing well under the circumstances.

I want to thank all the Curry County Cruisers who braved the smoke and poor conditions this past Saturday at the MDA Show. They had 65 cars registered and 52 cars in attendance. Because of the poor air quality conditions, they ended the show at 2:00 pm instead of the scheduled 4:00 pm.

The Curry County Cruisers won **11 awards** at the show. The following club members won awards

Del Peixoto won 1st place Stock to 1939 with his 1930 Model A Coupe
Jim & Patsy Haggerty won 1st place Stock 1950 – 1963 with their 1957 Chevrolet
Mike Eagan won 2nd place Stock 1964 – 1973 with his 1964 Chevelle
Keith Kessinger won 1st place Stock 1974 to Present with his 2013 Chevelle

And the Curry County Cruisers won Club Participation

The Club has won Club Participation the last two weeks in a row, at Port Orford and at the MDA Show Way to go Cruisers!

Congratulations to all award winners and thanks to all club members who attended the show and helped Tom Lee put on this show.

We put the Wade Thompson Donation Jar out at the show, and Kevin Baine from Kury Radio announced our fund raising event a number of times during the show. I am pleased to report that we received \$160 in donations at the event, some from club members, and some from attendees at the show.

Please remember that we will be collecting donations for the entire month of September. If you cannot make it to one of the club functions, you can mail your donation to :

Curry County Cruisers

PO Box 1863

Brookings, OR. 97415

Please write: Donation on the bottom of the check.

Weather permitting, we will meet this Wednesday Night at Misty Mountain Tap Haus. We may not drive our club cars on Wednesday, but it is nice to get together with fellow Club Members, especially now when there is so much going on. We will have the donation jar there for Wade Thompson.

We will be asking that club members take a look around their house for items that can be donated to Wade to help him rebuild his home. Items such as hammers, crow bars, extension cords, saws levels, etc. would be appreciated. One club member has volunteered to donate a brand new electric range to Wade. We have not yet set a date or location to collect the donations, but we will notify you soon as to a time and place.

This coming Saturday is the Cruise In at the Brew and Art Fest in Gold Beach. Hopefully the conditions will be better for this event than they were for the MDA car show. The show is from 11:00 am until 5:00 pm at the Curry County Fairgrounds in Gold Beach. This is a Curry County Club event, so I hope that as many club members as possible can make it. I will be contacting a few of you who volunteered to help with the show this week after I meet with the Brew Fest Committee this coming Tuesday.

Also, I sent out an email last week announcing the cancellation of the Winchuck Fire Departments

BBQ and Auction Fund Raiser on September 10th. The benefit has been cancelled due to the Chetco Bar Fire.

September 17th is the date scheduled for our annual club picnic, which is held on the Winchuck River. We will have to play this by ear, and monitor the progress of the Chetco Bar Fire, we may have to cancel the picnic this year. Fingers crossed.

Let's all hope and pray that the Fire Fighters can contain this fire before it does any more damage.

Regards:

Jim Haggerty
